#	Please describe briefly why you enrolled in this lecture. List comments regarding its strengths, weaknesses and whether the evening met your expectations.	Date
1	I enrolled to kick start my writing again and this retreat certainly did that. I wish the rooms had desks where we could write. In the entire building tables were only in the conference room and the dinning room.	5/2/2017 1:00 PM
2	I enrolled because I love to write, know Margaret Osborn through Odyssey and enjoy poetry. Overall I thought this was an excellent retreat: wonderful instructors, interesting material, good mix of attendees, beautiful surroundings and accommodations, plenty of time together and alone. I would have preferred to have the "night write" moved to the afternoon and the independant time in the evening. It would have been nice to have a little movement during the day - perhaps gentle yoga. it definitely met my expectations and I look forward to attending again next year.	5/1/2017 5:49 PM
3	Honestly, I had signed up for the journaling retreat, which was cancelled, and thought this sounded similar enough. This writer's retreat was fantastic, but I wish we had more prompts and writing time during the retreat (which is tough, considering how short term it was), as well as takeaway prompts. Also, maybe Bon Secours for the location next year? Mary and Margaret were excellent though. So was the group of attendees. It was a wonderful class that exceeded my expectations! Very much worth it.	5/1/2017 5:19 PM
4	The venue is INCREDIBLE!! Perfect for disappearing in an interesting nook by myself to write.	5/1/2017 3:59 PM
5	I attended last year and loved it, and was excited to attend again! It would be possible to have better *pacing* next year-- I would prefer the "night write" happen earlier in the evening before dinner as we were all pretty tired by then. But I LOVE this retreat and would recommend it to anyone!	5/1/2017 3:19 PM
6	I love to write and wanted a retreat so that I would be sure to make time to do it. The venue is excellent, and everything met or exceeded my expectations. The instructors are fantastic. It would be nice to end by 10pm each night and have an earlier dinner on Saturday and an earlier breakfast on Sunday.	5/1/2017 3:06 PM
7	I enrolled in this program to get away from the business of my life and concentrate on writing. I learned so much from the instructors and other writers in the workshop. It was an amazing experience and I plan to do this again next year. The only suggestion I would make is this: on Saturday, instead of having a 4 hour break during the day, I would have only half of that, and do the writing part a little before dinner and then a couple of hours after dinner. Working till 11pm is difficult.	5/1/2017 2:54 PM
